

# QTVR Panorama Checklist

PROJECT TITLE: _____
TEAM MEMBERS: _____
_____
DATE: _____

## PANORAMIC NODE #1

What will this node show? (think: what will it help the audience see and understand?)

WHERE (exactly) will you take this picture?

WHY will a panoramic picture be better than a regular digital picture?

## PANORAMIC NODE #2

What will this node show? (think: what will it help the audience see and understand?)

WHERE (exactly) will you take this picture?

WHY will a panoramic picture be better than a regular digital picture?

## PANORAMIC NODE #3

What will this node show? (think: what will it help the audience see and understand?)

WHERE (exactly) will you take this picture?

WHY will a panoramic picture be better than a regular digital picture?
